#### About Me

I'm front-end developer with passion in programming and experience creating SPA applications. Always studying something new and level up my skills, have an interest to became a full-stack developer. Improve my english reading docs and searching solutions of tasks in english. Ready to consider project work or full-time employment for front-end developer.

#### Work Experience

##### **Front-end developer, 07/2022-till now (part-time)**

**Used stack of technologies:** React/Redux/Typescript.

**Used libraries:** React Redux, Redux Form, RTK, React-Router-Dom, Axios, Formik, Material UI, Storybook.

**My tasks:** fix bugs in applications, search for errors, refactor code, auth and login flow, write unit tests, develop user interface and adaptive layout.

##### **Freelance photographer, 05/2010-03/2019**

Made photos for sport events and advertising, develop design for magazines. Work in team together with another photographer.
