About Me

I'm front-end developer with passion in programming and experience creating SPA applications. Always studying something new and level up my skills, have an interest to became a full-stack developer. Improve my english reading docs and searching solutions of tasks in english. Ready to consider project work or full-time employment for front-end developer.

Work Experience

Front-end developer, 07/2022-till now (part-time)

Used technologies: React, NextJS, Redux, Typescript, Zustand, RTK, RTK Query, YUP, RHF, Formik, Redux Form, React Router Dom, Axios, Material UI, React Bootstrap, Storybook, TDD.

My tasks: fix bugs in applications, search for errors, refactor code, auth flow, write unit tests, develop user interface and adaptive layouts, develop custom ui-kit.

Freelance photographer, 05/2010-03/2019

Made photos for sport events and advertising, develop design for magazines. Work in team together with another photographer.
